# BEHIND THE BRAND

## A SPECIAL NOTE FROM TRICIA, OUR FOUNDER:

*"Suntegrity Skincare was made in memory of my **mom** and all of those who lost their lives to skin cancer. Using my mom's experience as a positive catalyst for change, I created a mineral sun care line.*

*After losing my **mom** to melanoma skin cancer, I became a big advocate of wearing sunscreen. However, most of the sunscreens on the market used organic UV filters like Oxybenzone, Octinoxate, Octocrylene, Avobenzone, etc. which were linked to potential endocrine disruption. It didn't make sense to me to use these types of sunscreens to prevent skin cancer only to expose myself to other potential health risks. Yet I knew I needed to wear Sunscreen!*

*After several years of research and investigation, I decided to develop my own sun care line. With a heartfelt mission and the help of an extremely knowledgeable formulator and chemist, Suntegrity was born.*

*I hope you enjoy our products and smile in memory of someone you love."*

*Tricia T.*

# OUR PRODUCT STANDARDS

## WHAT MAKES SUNTEGRITY® STAND OUT IN THE MARKETPLACE

We've been making mineral sun care products since the beginning of the clean beauty movement in 2010. We care about the ingredients that go into our products and how those ingredients affect the body as a whole. Suntegrity® is a brand you can trust to keep an honest voice in the market and keep your clients safe.

### Mineral Based Sunscreens

(Only Zinc Oxide and Titanium Dioxide in our SPF products)

### Reef Safe

### Infused With Antioxidants & Botanicals

### Women Owned & Operated

### Made in the USA With Globally Sourced Ingredients/Packaging

### Vegan\* Friendly

(\*excluding Sport Sun Stick & Rebound which contain organic beeswax)

### Non-Irritating

### Allergy & Clinically Tested

### Paraben, Phthalate, & Mineral Oil Free

### Gluten Free Options

### Cruelty Free; PETA & Leaping Bunny Certified

# OUR INGREDIENTS

## THE POWER OF WHAT GOES INTO OUR PRODUCTS

We use a lot of natural, plant derived, and organic ingredients in all of our products to protect, moisturize, and nourish the skin. This list outlines some of the most nutritive ingredients you will find inside our products and why we think they are an excellent addition to our formulas:

<b>NON-NANO ZINC OXIDE</b>	A mineral active in protecting the skin from the sun's UVA/UVB rays. It is also well known for its anti-inflammatory properties that help soothe the skin (great for rosacea, acne, and melasma).
<b>ALOE VERA</b>	A healing agent that soothes and moisturizes, improves suppleness, and also provides a needed dose of vitamin E to keep skin healthy and soft.
<b>SUNFLOWER, COCONUT, &amp; SWEET ALMOND OILS</b>	Non-clogging oils that plump and lubricate the skin, help seal in moisture, and form a protective barrier against external damage.
<b>HYALURONIC ACID</b>	Plumps the skin by helping it seal in and retain moisture.
<b>GREEN TEA, CUCUMBER, AND POMEGRANATE SEED EXTRACTS &amp; OILS</b>	Rich sources of antioxidants that aid in protecting skin from free radical damage, enhance micro-circulation to give skin a more youthful glow, and combat inflammation.
<b>ASTAXANTHIN</b>	A potent antioxidant (free radical scavenger) many times more effective (on a per molecule basis) than vitamin E. Research shows it can be a key player in: diminishing the appearance of fine lines and wrinkles, reducing puffiness around the eyes, hydrating the skin, calming inflammation, and evening out pigmentation.
<b>RED ALGAE</b>	Improves the skin's barrier function and helps it retain water; anti-inflammatory properties help soothe irritation.
<b>JOJOBA SEED OIL</b>	A highly moisturizing oil that closely resembles the skin's natural oil making it well received and highly versatile. It also helps illuminate skin's natural glow.
<b>VITAMIN E</b>	A high-powered antioxidant that helps restore the skin and protect it from free radical damage.
<b>ROSE HIP SEED OIL</b>	An excellent source of essential fatty acids (Omega 3, 6, and 9) that quench and nourish dry skin as well as help regenerate damaged tissue.
<b>MANGO SEED &amp; SHEA BUTTERS</b>	Great sources of essential fatty acids that moisturize and nourish dry and/or damaged skin as well as reduce irritation.
<b>BOTANICAL EXTRACTS (GOJI, ACAI, MANGOSTEEN, &amp; NONI)</b>	Packed with antioxidants that help support the health, texture and integrity of the skin making it less susceptible to free-radical damage.
<b>VEGETAN®</b>	A natural, eco-certified DHA derived from sugar beets. This is used in our self-tanning products to create a natural-looking tan without the sun.
<b>LICORICE ROOT</b>	This anti-inflammatory extract minimizes the production of dark spot causing compounds within the skin while also helping to fade existing dark spots for a more even complexion.
<b>GOTU KOLA</b>	Rich in triterpenoid saponins, Gotu Kola helps keep skin tighter and firmer. It also boosts the formation of collagen and skin tissue to support skin elasticity and youthfulness.
<b>WHAT YOU WON'T FIND</b>	Parabens, Phthalates, Propylene Glycol, Mineral Oils, Synthetic Dyes, Sulfates, Paba, Nano-Particles, and Chemical UV filters (octinoxate, oxybenzone, etc.).

# TOP 10 REASONS

TO CHOOSE SUNTEGRITY®

## 1. WE USE THE SAFEST ACTIVE INGREDIENTS FOR GREAT SUN PROTECTION

Our products use high quality Zinc Oxide (non-nano) to protect your skin from the sun. You won't find nano-particles, chemical SPF boosters or chemical UV filters (which are absorbed in the bloodstream and some of them are even linked to endocrine disruption) in our Suntegrity products. (\*See chart below.)

## 2. TOP RATINGS FROM EXPERTS

Our sunscreens have received top ratings by the EWG (Environmental Working Group), SkinSafe, and the Good Face Project! Our sunscreens regularly win Dermascope Magazine's Aestheticians' Choice Awards.

## 3. GREAT FOR SENSITIVE SKIN TYPES

Clinically and allergy-tested, our products use non-irritating ingredients to keep your skin happy. When examined by an independent laboratory, they produced zero negative reactions for the human test subjects. Oncology Spa Solutions has even approved our face sunscreens for use on oncology patients who are known to have the most compromised, sensitive skin.

## 4. DEVELOPED & PRODUCED IN THE USA

We believe in American Manufacturing! Our products are developed and made in the USA with globally sourced ingredients, so we can closely monitor the process, ensure our standards are met, and keep our customers safe.

## 5. WOMEN OWNED & OPERATED

We are proud to be 100% women owned and operated.

## 6. FORMULATED TO BE THERAPEUTIC

The Zinc Oxide used in our sunscreens is therapeutic, even for sensitive skin. This mineral UV blocker helps soothe immune-response skin conditions like rashes, rosacea, and acne while protecting skin from harmful rays. Often used in baby products, it's as safe for your skin as it is for theirs!

## 7. BRIMMING WITH ANTIOXIDANTS

Full of organic ingredients like aloe vera juice, jojoba oil, sunflower oil, cucumber extract, green tea extract, and many more, each one of our products provides your skin with a needed dose of nutrition every time you apply it while also fending off free-radical damage.

## 8. WE GIVE BACK

We're always interested in creating a positive impact for both our customers and within our community. We support various cancer prevention fundraisers and donate to non-profits like PETA, Lipstick Angels, Cleveland Clinic, and the EWG.

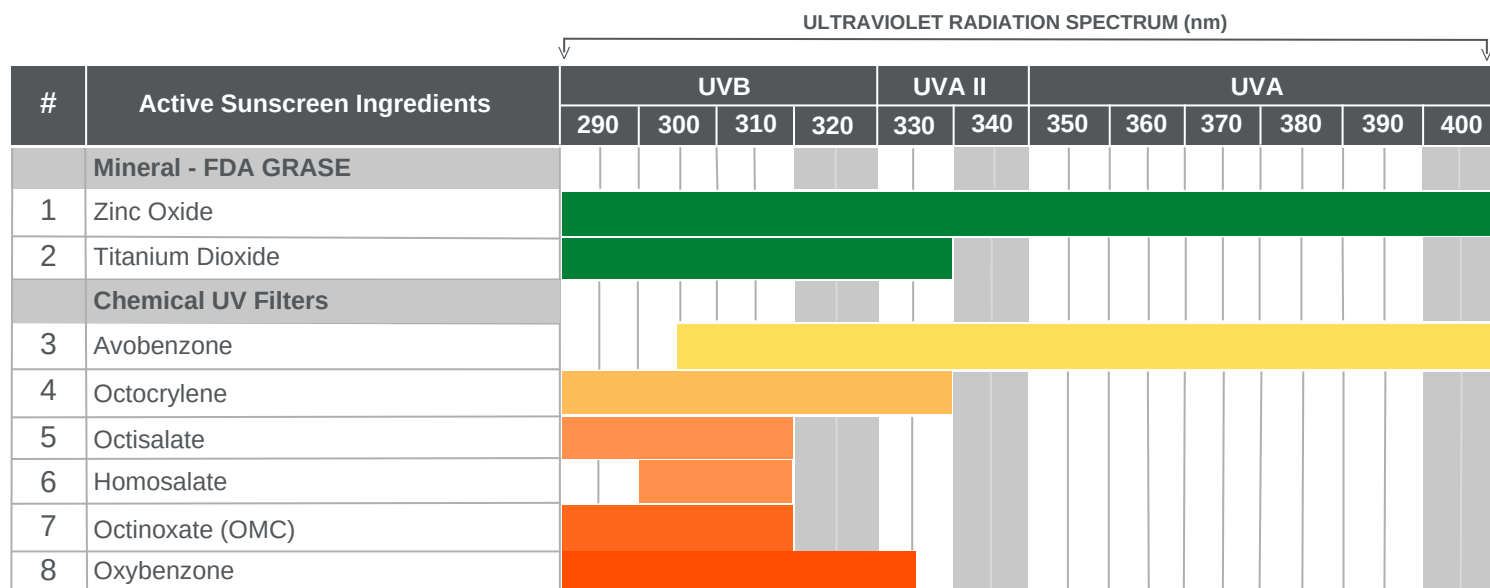

## 9. VEGAN-FRIENDLY & CRUELTY-FREE

We test on humans, not animals. All of our products are PETA and Leaping Bunny Certified – great for the animal-loving community! The majority of our products are vegan with a few exceptions where we use organic beeswax harvested in a way that doesn't harm bees.

## 10. INCLUSIVE PACKAGING FOR ALL

Our products are great for all! We offer some of the safest sunscreens in the market in unisex packaging that appeals to a large audience so that everyone can feel comfortable protecting their skin.

# \*UVA / UVA II & UVB Protection

### SPF BOOSTERS

————— Broad Spectrum Protection —————

<b>Natural</b>
e.g. Red Raspberry Seed Oil, Bisabolol, etc
<b>Chemical</b>
e.g. Butyloctyl or Tridecyl Salicylate, etc.

# FACE SUNSCREENS

OUR FACE SUNSCREENS ARE FORMULATED FOR THE SPECIFIC NEEDS OF THE FACE AND EYE AREAS TO MAXIMIZE EFFICACY AND PROTECTION.

## PRIME & PROTECT

### MOISTURIZING MINERAL FACE SUNSCREEN & PRIMER BROAD SPECTRUM SPF 30

1.7 oz. (50g)

Active Ingredient(s): Zinc Oxide (Non-Nano) 20%

Carefully Developed For: All Skin Types

#### HIGHLIGHTS:

VEGAN  
NON-GREASY  
UPLIFTING CITRUS SCENT

**HOW TO USE:** Apply liberally to freshly cleansed skin. Can be worn under makeup or alone.

A rich, non-greasy, "UV chemical-free" face sunscreen that offers broad spectrum protection against damaging UVA and UVB rays. Infused with youth promoting antioxidants, this 3-in-1 product functions as a face moisturizer, sunscreen, and makeup primer all in one. Hyaluronic acid, astaxanthin, red algae, and Certified Organic aloe vera, jojoba, sunflower, pomegranate, cucumber, and green tea help provide additional sun protection, moisture, and hydration. Non-nano sized Zinc Oxide not only protects the skin from the damaging UV rays, but it also soothes and calms the skin. TSA friendly and made in the USA of globally sourced ingredients & packaging.

**FREE OF:** Nanoparticles, Chemical UV Filters, Parabens, Phthalates, Petroleum, Propylene Glycol, Mineral Oils, PABA, Synthetic Dyes, Synthetic Fragrances, Butyloctyl Salicylate, Phenoxyethanol.

**REFILLS AVAILABLE!**

### MOISTURIZING MINERAL FACE SUNSCREEN & PRIMER REFILL BROAD SPECTRUM SPF 30

1.7 oz. (50g)

Active Ingredient(s): Zinc Oxide (Non-Nano) 20%

Carefully Developed For: All Skin Types

This refill offers an eco-friendly option to insert in your canister.

## TINT & MOISTURIZE

### 5-IN-1 TINTED SUNSCREEN MOISTURIZER BROAD SPECTRUM SPF 30

2 oz. (56.7 g)

Active Ingredient(s): Zinc Oxide (Non-Nano) 20%

Carefully Developed For: All skin types and those that are sensitive to scent

**HOW TO USE:** Apply liberally to freshly cleansed skin or over primer/moisturizer. For a flawless look, dab into skin using a blending tool like our Velvet Sponge.

This 5-IN-1 Tinted Sunscreen/Beauty Benefit (BB) cream moisturizes, hydrates, protects, primes, and covers the skin. Supercharged with youth promoting antioxidants that help to scavenge surface free radicals, this cream provides mineral Broad Spectrum SPF 30 protection. Hyaluronic acid, astaxanthin, red algae, and Certified Organic additions like aloe vera, jojoba, sunflower, pomegranate, cucumber, and green tea help provide additional sun protection and hydration. Non-nano Zinc Oxide protects the skin from the damaging UV rays while simultaneously soothing and calming. Available in four luminous shades.

**FREE OF:** Nanoparticles, Chemical UV Filters, Parabens, Phthalates, Petroleum, Propylene Glycol, Mineral Oils, PABA, Synthetic Dyes, Synthetic Fragrances, Butyloctyl Salicylate, Phenoxyethanol.

**HIGHLIGHTS:**  
SHEER TINT  
DEWY FINISH  
FRAGRANCE-FREE

**HIGHLIGHTS:**  
MEDIUM COVERAGE  
SMOOTH, SATIN FINISH  
FRAGRANCE-FREE

## COVER & SMOOTH

### IMPECCABLE SKIN SUNSCREEN FOUNDATION BROAD SPECTRUM SPF 30

2.0 oz. (56.7 g)

Active Ingredient(s): Zinc Oxide (Non-Nano) 15%

Carefully Developed For: All skin types and those that are sensitive to scent and silicones

**HOW TO USE:** Apply liberally to freshly cleansed skin or over primer/moisturizer. For a flawless look, dab into skin using a blending tool like our Velvet Sponge.

Wear alone or as a base for face powder.

Beauty boosting skincare, sunscreen, and makeup all in one! This medium coverage formula gives skin a flawless, smooth, more youthful appearance. Formulated without oils or silicones, this vitamin and peptide-rich technology, visibly reduces the signs of aging while non-nano zinc oxide and melanin provide Broad Spectrum SPF 30 and blue light protection to help prevent any future damage. Impeccable Skin hydrates and enhances skin's natural barrier function to keep nutrients in and air pollutants and allergens out. Gluten free, TSA friendly, and made in the USA of globally sourced ingredients & packaging! Available in seven velvety smooth shades: Ivory, Nude, Buff, Sand, Tan, Bronze, and Mocha.

**FREE OF:** Gluten (Biorius Certified), Nanoparticles, Chemical UV Filters, Parabens, Phthalates, Propylene Glycol, Mineral Oils, PABA, Synthetic Dyes, Synthetic Fragrances, Butyloctyl Salicylate, Phenoxyethanol, Silicones.

# FACE & BODY SUNSCREENS

THESE SUNSCREENS CAN BE WORN BOTH ON THE FACE AND ON YOUR BODY FOR MAXIMUM BENEFITS.

## ACTIVELY PROTECT

### MINERAL SPORT SUN STICK BROAD SPECTRUM SPF 30

1.16 oz. (33 g)  
Active Ingredient(s): Zinc Oxide (Non-Nano) 20%  
Carefully Developed For: All Skin Types

**HOW TO USE:** Apply directly onto skin prior to sun exposure. Reapply at least every 80 minutes and after swimming or sweating.

This convenient, water-resistant SPORT Sun Stick provides UVA/UVB Broad Spectrum protection from the sun's harmful rays. Formulated with non-nano zinc oxide in a solid stick form, it glides onto skin smoothly without leaving a greasy feel. Organic coconut oil, shea butter, and cocoa seed butter leave the skin hydrated and moisturized. Uplifting natural orange scent. Ideal for beach days and on-the-go application. Vegetarian and cruelty-free. Made in the USA of globally sourced ingredients and packaging!

**FREE OF:** Nanoparticles, Chemical UV Filters, Parabens, Phthalates, Petroleum, Propylene Glycol, Mineral Oils, PABA, Synthetic Dyes, Synthetic Fragrances, Butyloctyl Salicylate, Phenoxyethanol.

**HIGHLIGHTS:**  
NON-GREASY  
LIGHT ORANGE SCENT  
EASY APPLICATION

**HIGHLIGHTS:**  
VEGAN  
LIGHTLY SCENTED  
TSA-FRIENDLY SIZE

## SUNSCREEN & SERUM

### MILKY MINERAL SUN SERUM SPRAY BROAD SPECTRUM SPF 50

3.4 oz. (100 ml)  
Active Ingredient(s): Zinc Oxide (Non-Nano) 9.5%, Titanium Dioxide (Non-Nano) 7.2%  
Carefully Developed For: Ideal for normal and dry facial skin.  
Works on all ages and skin types for body.

**HOW TO USE:** Apply before sun exposure, spray directly on desired area and spread evenly with palm. *Do not spray directly onto face.* Spray onto hands and then apply to face.

This multi-tasking product is a skin serum and mineral sunscreen all wrapped into one convenient spray pump (not aerosol). Non-nano zinc oxide and titanium dioxide combine to provide Broad Spectrum SPF 50 mineral protection while key skincare ingredients help moisturize and nourish the skin. This nutrient-dense, milky formula is lightweight, non-sticky, and easily absorbs into the skin without leaving a white cast. It's supercharged with youth-promoting antioxidants that fight free-radical damage and great for both the face and body.  
*\*NOTE: Product now comes boxed with a travel cap; the sprayer will be in a separate polybag. Please keep the travel cap to reuse when traveling to prevent leakage.*

**FREE OF:** Nanoparticles, Chemical UV Filters, Parabens, Phthalates, Petrolatum, Propylene Glycol, Mineral Oils, PABA, Synthetic Dyes, Synthetic Fragrances, Butyloctyl Salicylate, Phenoxyethanol, Soy, Gluten, Palm.

# BODY SUNSCREENS

MADE SPECIFICALLY FOR THE BODY, THESE SUNSCREENS ARE AVAILABLE IN TWO SIZES FOR CUSTOMER CONVENIENCE.

## PROTECT & MOISTURIZE

### MINERAL BODY SUNSCREEN BROAD SPECTRUM SPF 30

3 oz. (89 ml) | 5 oz. (148 ml)  
Active Ingredient(s): Zinc Oxide (Non-Nano) 20%  
Carefully Developed For: All Skin Types

**HOW TO USE:** Apply liberally to exposed skin prior to going outdoors. Reapply every 80-120 minutes of sun exposure.

Suntegrity's SPF 30 Mineral Body Sunscreen offers broad spectrum protection and is free of chemicals that are harsh on the skin. Our formula is non-greasy and contains 20% non-nano, uncoated Zinc Oxide for therapeutic broad spectrum protection against the sun's harmful UVA and UVB rays. It also contains organic ingredients like green tea extract, cucumber extract, and pomegranate seed oil for added protection. This sunscreen formula is easy to apply, loaded with antioxidants for healthy protection all year round and has a light uplifting orange scent. TSA friendly size option and made in the USA of globally sourced ingredients & packaging!

**FREE OF:** Nanoparticles, Chemical UV Filters, Parabens, Phthalates, Petroleum, Propylene Glycol, Mineral Oils, PABA, Synthetic Dyes, Synthetic Fragrances, Butyloctyl Salicylate, Phenoxyethanol.

# SKINCARE PRODUCTS

A COHESIVE AND EFFECTIVE SKINCARE REGIMEN TO ELEVATE YOUR DAILY ROUTINE WITH REMARKABLE RESULTS.

## REMOVE & CLEANSE

### VANISH ORGANIC CLEANSING OIL SUNSCREEN/MAKEUP REMOVER

2 oz. (60 mL)

Carefully Developed For: All Skin Types / Suitable around delicate eye area

**HOW TO USE:** Dispense several pumps onto fingertips. Massage into skin to loosen sunscreen, makeup and dirt. Wipe away product and grime with a wet cotton pad or washcloth to reveal beautiful, clean skin.

Vanish away stubborn mineral sunscreen, makeup and dirt without damaging your skin's natural protective barrier. Formulated with certified organic olive, jojoba, sunflower and camellia oils, this vegan-friendly cleanser is extra gentle on delicate skin and eye area. Antioxidant rich botanicals of rose hips and hibiscus leave skin feeling supple and toned while a subtle hint of sweet orange invigorates your senses and transform your ordinary skin cleansing routine into an uplifting daily ritual.

**FREE OF:** Synthetic Fragrances, Parabens, Petroleum, Phthalates, FD&C Pigments, Mineral Oil, Silicones, Phenoxyethanol.

#### HIGHLIGHTS:

VEGAN  
NATURAL ORANGE SCENT  
USDA CERTIFIED ORGANIC

#### HIGHLIGHTS:

3 SIMPLE INGREDIENTS  
POWERED BY HOCL  
AFTER-SUN SKINCARE

## HYDRATE & TONE

### TRIFECTA POWER MIST HYDRATING & AFTER-SUN MIST

2 oz. (59 ml) | 4 oz. (118 ml)

Star Ingredient: Hypochlorous Acid (HOCL)

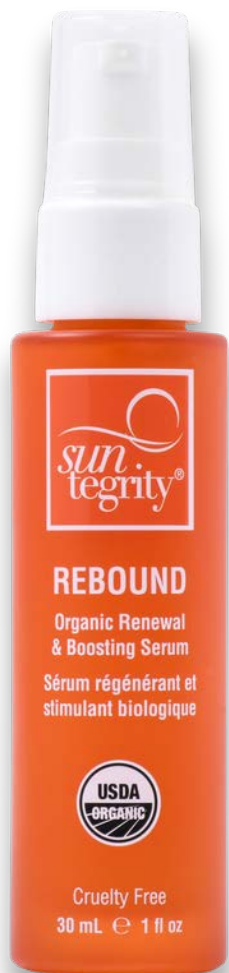

Carefully Developed For: All Skin Types

**HOW TO USE:** Mist across freshly cleansed skin morning and night as part of your daily skincare routine. Re-apply anytime your skin needs a refresh or to soothe tired skin after sun exposure.

This multi-tasking mist combines the multi-action power of Oxygen, HOCL and Sea Salt to rejuvenate and revitalize your skin. Formulated for all skin types, Trifecta Power Mist soothes and supports skin's natural defenses against irritation, inflammation, and post-procedure sensitivities. Trifecta Power Mist helps with common skin issues experienced by acne prone skin and those doing heavy sport activities. It can be used as a hydrating toner, post-workout cleansing mist, and after-sun mist.

**FREE OF:** Fragrances, Alcohol, Parabens, Phthalates, Dyes, Sulfates, Gluten.

## RENEW & REJUVENATE

### REBOUND ORGANIC ANTIOXIDANT RENEWAL AND BOOSTING SERUM

1 oz. (30 mL)

Carefully Developed For: All skin types; Especially good for dry skin

**HOW TO USE:** After cleansing, apply 1-2 pumps of serum over entire face, neck and décolleté. May be worn alone or followed by moisturizer, sunscreen, or makeup. May also be used after sun exposure as a recovery tonic.

This USDA organic power-packed serum was meticulously crafted to nurture and rejuvenate your skin. Enriched with a powerhouse blend of nature's finest ingredients, including prickly pear, sea buckthorn, pomegranate, baobab, bearberry, and gotu kola, this serum is a symphony of botanical wonders. Prickly pear and sea buckthorn team up to deliver a surge of vitamins and antioxidants, while pomegranate and bearberry offer their age-defying magic. Baobab lends its deep moisturizing benefits, and gotu kola, revered for centuries, contributes to skin's suppleness. Elevate your skincare routine with the wholesome goodness of organic ingredients, thoughtfully combined to restore your skin's natural radiance.

**FREE OF:** Synthetic Fragrances, Parabens, Petroleum, Phthalates, FD&C Pigments, Mineral Oil, Silicones, Phenoxyethanol.

**HIGHLIGHTS:**  
BOTANICAL BLEND  
NATURAL ORANGE SCENT  
USDA CERTIFIED ORGANIC

## REVITALIZE & MOISTURIZE

**HIGHLIGHTS:**  
VEGAN  
ENCAPSULATED RETINOL  
FRAGRANCE-FREE

### SYNERGY NITFIX RENEWAL CREAM

2 oz. (56 g)

Carefully Developed For: All Skin Types; Especially good for dry skin

**HOW TO USE:** Apply a generous amount nightly to a freshly cleansed face, neck, and décolleté for optimal results.

A vegan, antioxidant-rich, velvety moisturizer infused with plant-based oils, extracts, ceramides, and vitamins that provides skin with vital nutrition and hydration, aiding the skin's protective moisture barrier. Marine enzymes, along with liposomal encapsulated vegan retinol and vitamin C, enhance skin's radiance and minimize the appearance of fine lines and wrinkles. This carefully crafted nightcream has a captivating aroma that is both sweet and floral with subtle citrus undertones and promotes a refreshed and rejuvenated complexion each morning. Revitalize your skin while you sleep and wakeup to "WOW" skin.

**FREE OF:** Synthetic Fragrances, Parabens, Petroleum, Phthalates, FD&C Pigments, Mineral Oil, Silicones, Phenoxyethanol.

# TAN & GLOW

A BEAUTIFUL AND SKIN-FRIENDLY TAN IS WITHIN REACH WITH THIS COLLECTION OF SELF-TANNING AND BRONZING PRODUCTS THAT'LL MAKE YOU GLOW!

## TAN FOR BODY

### MOISTURIZING SELF TANNER (NOT A SUNSCREEN)

5 oz. (141.7 g)  
Carefully Developed For: All Skin Types

**HOW TO USE:** For best results, exfoliate and moisturize any dry areas (elbows, wrists, knees, ankles, feet) prior to application. Smooth evenly all over body. Allow application to dry for several minutes before dressing. To avoid discoloring palms, wash hands with soap and water immediately after use. Wait at least 8 hours before showering, shaving and sweating to allow tan to fully develop. To maintain tan, moisturize and exfoliate regularly and re-apply 1-2 times a week. Apply SPF if exposing skin to sun.

Healthier and better than a real tan, this moisturizing self tanner will have you looking like you've been on a beach holiday without exposing your precious skin to the sun's harmful rays. Vegetan (an eco-certified source of DHA from sugar beets) provides a natural golden tan while organic butters and oils provide deep hydration that leave the skin feeling incredibly silky and smooth. We have added an odor neutralizing ingredient to counter the DHA scent and included a natural wild strawberry scent so others will not even realize you have tanner on!

**FREE OF:** Synthetic Fragrances, Parabens, Petroleum, Phthalates, FD&C Pigments, Mineral Oil, Silicones, Phenoxyethanol.

**TUBE & CAP**  
30% PCR

#### HIGHLIGHTS:

VEGAN  
NATURAL STRAWBERRY SCENT  
DHA FROM SUGAR BEETS

## TAN FOR FACE

### ISLAND TAN GRADUAL SELF TAN DROPS (NOT A SUNSCREEN)

1 oz. (30 mL)  
Carefully Developed For: All Skin Types

**HOW TO USE:** More drops equal more glow. Add 2–12 drops to your skincare or body care for your customized glow. Wash hands after use. Tan develops in 4–6 hours.

Turn your moisturizer, serum or oil into your own custom self tan with these Hyaluronic acid enriched self tan drops. Made with Ecocert DHA from sugar beets, these tanning drops are super-charged with skin nourishing oils (jojoba, avocado, evening primrose, macadamia, rose hips) and nutrient-dense botanical extracts (calendula, chamomile, meadowsweet) to moisturize and boost skin's natural glow.

**FREE OF:** Synthetic Fragrances, Parabens, Petroleum, Phthalates, FD&C Pigments, Mineral Oil, Silicones, Phenoxyethanol.

**HIGHLIGHTS:**  
VEGAN  
NATURAL STRAWBERRY SCENT  
DHA FROM SUGAR BEETS

**HIGHLIGHTS:**  
VEGAN  
CUSTOMIZABLE GLOW  
PACKED WITH ANTIOXIDANTS

## BRONZE & GLOW

### STAYCATION BRONZING SHIMMER SERUM DROPS

1 oz. (30 mL)  
Carefully Developed For: All Skin Types

**HOW TO USE:** Shake before use. Dab onto cheekbones, tip of nose, collarbones, and cupid bows for a touch of bronze luminosity. Mix a drop or more into your serum, moisturizer, or face makeup for added luminosity and glow and a boost of antioxidant defense. Note: Allow to dry completely before dressing – like any makeup, this may come off onto clothing.

Look like you've been on vacation without spending hours in the sun! With Staycation, you can transport your skin back to its youthful radiance and your senses to somewhere exotic. This delightfully scented, antioxidant-rich golden bronze shimmer serum is infused with organic oils (jojoba, sunflower, babassu, hibiscus, apricot) and plant extracts (Gotu Kola, Licorice Root) to help skin stay moisturized, supple, and nourished while light-reflecting pigments revive dull skin. In an instant, just a touch of this amazing bronzer will leave your skin with a luminous, sun-kissed glow without leaving an overly glittery finish. We reformulated this product to be vegan and repackaged it into an eco-friendly glass bottle!

**FREE OF:** Synthetic Fragrances, Parabens, Petroleum, Phthalates, FD&C Pigments, Mineral Oil, Silicones, Phenoxyethanol.

## REFORMULATED TO BE EVEN BETTER

THESE BEST-SELLERS WILL BE BACK WITH A NEW LOOK AND UPDATED INGREDIENTS.  
PLUS, A FEW HIGHLY ANTICIPATED NEW RELEASES!

1

### Sunscreen Lipstick

Color, protect, and revive lips with Suntegrity's Sunscreen Lipstick. Infused with moisturizing shea butter and jojoba oil along with sunflower, candelilla, castor, and avocado oil, it soothes and hydrates lips with the added bonus of guarding against UV rays. Zinc oxide provides broad spectrum protection without harsh chemicals while nourishing lips in rich, creamy color with a sun-kissed finish.

2

### Mineral SPF Pressed Powder

This multi-tasking, zinc-oxide based pressed powder blends effortlessly into all skin tones providing sun protection while leaving skin with a natural matte finish. This lightweight translucent formula also helps minimize the appearance of pores, blurs imperfections, evens out skin tone and controls shine. It's perfect for reapplying your sunscreen on-the-go, and it's great for sensitive skin.

BRAND  
NEW!

### Brightening Foaming Cleanser

Brighten skin up with this antioxidant-rich, foaming cleanser. Fruit Acids exfoliate skin while strawberry seed oil, jojoba oil, and rice protein nourish skin leaving it silky and luminous.

BRAND  
NEW!

### Photoprotective Oil Serum

An oil-based serum packed with natural oils known for their sun protective properties. This serum will leave your skin feeling nourished and moisturized and it's the perfect oil to apply prior to sunscreen.

**Has Dewy Makeup Reached The End Of Its Reign? Experts Weigh In On The Trend**

Rather than focusing on features, take a quick peek at the label-to keep the makeup matte, you'll want to seek water-based formulations. "Check out the first few ingredients of the product's ingredient list," advises Coleman. "If they are all oils, waxes, or fatty acid derivatives, then you can expect the product to be very emollient, greasy, thick, and very dewy in finish." **SUNTEGRITY IMPERCEPTIBLE SKIN BROAD SPECTRUM SPF 30**, for example, contains a base of water and zinc oxide, so does **SUNTEGRITY SKINCARE**.

Best reef-safe Sunscreen: Suntegrity Natural Mineral Sunscreen SPF 30

After being for years on this list, the formula of Suntegrity Natural Mineral Sunscreen SPF 30 has been updated to include a new preservative system. All Suntegrity sunscreens are reef-safe, meaning they do not contain any of the chemicals that can harm coral reefs.
