

5-IN-1 TINTED SUNSCREEN MOISTURIZER – BROAD SPECTRUM SPF 30

Size : 2 oz (56.7g)

MSRP \$45

Skin Type :

- Perfect for all skin types including those with sensitive skin and rosacea.

Product Description:

- An all-in-one Beauty Benefit (BB) cream that treats, hydrates, protects, primes and covers the skin. Supercharged with youth promoting antioxidants that help fight free radical damage, this cream also provides mineral Broad Spectrum SPF 30 coverage.

What else you need to know:

- There is no added scent so the product works well for those sensitive to scent.
- We use 20% non-nano zinc oxide so you get tinted sunscreen coverage with therapeutic benefits for the skin.
- Sheer coverage/dewy finish – available in 4 shades.
- Fair is a cream/off-white shade with only a hint of color making it perfect for those who want sunscreen without color or are looking for an unscented version of our Face Sunscreen & Primer.

Instructions:

- Place a large pea-sized amount in your hand, dot around your face and then blend in completely. Then do the same for your neck. Viola...one step to flawless looking skin. Be sure to reapply at least every 2 hours when in the sun.
