## **Key Ingredients:**

Algaktiv Genofix Nite	Rejuvenating marine enzymes from green microalgae that go to work while you sleep, helping to reset the skin, reduce the look of fine lines, and boost moisture for improved radiance. Contributes to thorough nighttime rejuvenation by assisting your skin's natural DNA repair processes and bolstering its antioxidant defenses.
Ceramide Complex	Helps reinforce your skin's natural barrier, aiding in moisture retention overnight. This essential step supports a well-hydrated and supple complexion, contributing to a refreshed appearance by morning.
Encapsulated Vitamin C	Offers powerful antioxidant support. Its stable formulation ensures optimal performance when applied to the skin, assisting in maintaining a refreshed appearance and supporting a more balanced skin tone.
Encapsulated Retinol	A carefully formulated version of vitamin A that supports natural processes which contribute to a smoother skin texture and a more refreshed appearance. Its controlled release mechanism minimizes the potential for irritation, helping you achieve your desired results with comfort and ease.
Provitamin B5 & Vitamin E	Vitamins that work together to nourish and protect the skin. Provitamin B5 helps to improve the look of skin texture and retain moisture, while Vitamin E shields the skin from environmental stressors, leaving it soft and supple.
Pomegranate & Resveratrol	These potent antioxidants provide support against environmental stressors and contribute to maintaining a balanced complexion, promoting a natural radiance that leaves your skin feeling refreshed and invigorated.
Gotu Kola, Green Tea, Goji Berry, Acai, and Rooibos Extracts	Known to soothe and calm the skin, reducing the look of redness and inflammation while providing a dose of skin-loving nutrients and antioxidants. These botanical extracts contribute to a healthier, more balanced complexion.
Hyaluronic Acid	A key element for intense hydration, as it has the remarkable ability to attract and retain moisture in the skin, resulting in a plump, dewy, and thoroughly hydrated appearance.
