

## TRIFECTA POWER MIST

Size : 2 oz & 4 oz

MSRP \$16 & \$26

### Skin Type :

- Perfect for all skin types including those with sensitive skin, acne and rosacea.

### Product Description:

- A 100% natural soothing skin toner, hydration mist and after-sun spray that soothes and supports skin's natural defenses against irritation, inflammation and post-procedure sensitivities.

### What else you need to know:

- The active ingredient, hypochlorous acid (HOCL) is the substance your white blood cells produce to fight off infections and defend your body from harmful bacteria. When applied to the skin, HOCL triggers an immune boost which signals your body to respond to irritation and inflammation, and contribute to restoring skin to its optimal condition.

### Instructions:

- Shake bottle and spray generously morning and evening over clean skin. Great to use as an after-sun spray, a post-workout refresher, and a hydration boost over makeup and during air travel.

**Totally Clean:** NO Parabens, NO Petroleum, NO Phthalates, NO Propylene Glycol, NO Mineral Oil, NO Alcohol, NO Silicones, NO PABA, NO Synthetic Fragrance, NO FD&C Dyes, NO Phenoxyethanol

### Clean Swap:

- Clinique Moisture Surge Face Spray

### Certifications:

- PETA - Cruelty-Free and Vegan
